

GFLOW© License Agreement

By installing this program you are reaffirming your awareness and acceptance of the terms and conditions of this license agreement. If you do not accept these, you should promptly return the software for a full refund.

Haitjema Software¹ agrees to provide this PROGRAM and DATA, which are collectively referred to as GFLOW, and licenses its use by the purchaser. The PROGRAM has been developed and is proprietary to HAITJEMA SOFTWARE and may not be made available in any manner or form to another party, except as expressly provided for in this license.

Depending on your acquisition you are licensed for:

Use of the Educational Version of GFLOW. This entitles you to use and distribution of the program by anyone on any machine anywhere. The Educational Version excludes the following features: *Project>Print, View>Hydrologic Unit, Model>Add a Hydrologic Boundary, Model>Add a Farfield Boundary, Model>Add a Domain Boundary, Model>Implement Scenario, Tools>GUI Options, Tools Export, Tools>PEST, and Tools>UCODE.* The Finite Difference grid of the MODFLOW extract feature is limited to 50 rows and 50 columns and 4 layers.

Use of a single copy of the Professional Version of GFLOW. This entitles you to install the program on a single machine to be used by a single user. That user may also install the program on a single laptop computer for out of office use. The Professional Version has all limitations listed for the Educational Version removed. GFLOW is licensed exclusively for your organization's internal use at the location indicated on the registration form and by a single user. You may not use, copy, modify or transfer GFLOW or any copy, modification or merged portion, in whole or part to another person in your organization, another organization or another individual. No transfer of any portion of GFLOW may be made for the purposes of providing any services to other organizations or individuals. If you transfer possession of any copy, modification or merged portion of GFLOW to another party your license is automatically terminated. You must exercise all reasonable precautions to prevent others from violating the terms of this license.

Use of multiple copies of the Professional Version of GFLOW (Site License). This entitles you to install the program on multiple machines to be used by multiple users at one office location. The licensed users may also install the program on multiple laptop computers for use out of the office. The Professional Version has all limitations listed for the Educational Version removed. GFLOW is licensed exclusively for your organization's internal use at the location indicated on the registration form. You may not use, copy, modify or transfer GFLOW or any copy, modification or merged portion, in whole or part to another organization or individual. No transfer of any portion of GFLOW may be made for the purposes of providing any services to other organizations or individuals. If you transfer possession of any copy, modification or merged portion of GFLOW to another party your license is automatically terminated. You must exercise all reasonable precautions to prevent others from violating the terms of this license.

General Conditions

In the event you are a public library, an educational institution, government agency, or non-profit entity providing public access to data, you may additionally provide public access to the PROGRAM. However, no rights are granted to these organizations to permit any automatic and systematic removal and printing of the PROGRAM contents.

TERM: The license is effective for the duration of the subject copyrights, unless terminated earlier by your failure to adhere to the terms of this agreement.

If you fail to comply with any term or condition of this agreement, the license will be terminated and you will be subject to all applicable legal remedies. If the license is terminated due to a failure to comply with this agreement, you agree that upon such termination, you will return the original media on which GFLOW is furnished and destroy all copies, backups, and transfers of the information to other computer programs.

LIMITED WARRANTY: HAITJEMA SOFTWARE warrants the media on which GFLOW is furnished to be free from defects in material and workmanship under normal use for period of ninety (90) days from the date of shipment. HAITJEMA SOFTWARE further warrants that the PROGRAM will perform substantially in accordance with its documentation. HAITJEMA SOFTWARE does not warrant that the functions of GFLOW will meet your requirements, or that the operation of the PROGRAM will be uninterrupted or error-free. HAITJEMA SOFTWARE is not responsible for problems caused by the operating characteristics of computer hardware or computer operating systems.

Except as noted above, GFLOW is sold ``AS IS" without warranty of any kind, either express or implied, including but not limited to the implied warranties of the merchantability and fitness for a particular purpose. Some states do not allow the exclusion of implied warranties, so the above exclusion may not apply to you. This warranty gives you specific legal rights and you may also have other rights, which vary from state to state.

LIMITATIONS OF REMEDIES: HAITJEMA SOFTWARE's entire liability and your exclusive remedy shall be the replacement of any GFLOW media not meeting HAITJEMA SOFTWARE's "Limited Warranty" and which is returned to HAITJEMA SOFTWARE. In no event will HAITJEMA SOFTWARE be liable to you for any damages, including any lost profits, lost savings or other incidental or consequential damages arising out of the use or inability to use GFLOW. Some states do not allow the limitation of exclusion of liability for incidental or consequential damages so the above limitation may not apply to you.

Please forward any questions regarding this License Agreement to HAITJEMA SOFTWARE, 2738 Brig's Bend, Bloomington, IN 47401 or sales@haitjema.com.

By installing GFLOW, you acknowledge that you have read this agreement, understand it and agree to be bound by its terms and conditions.
